

AEROPLANE TO TAKE TUNNEY TO NEW YORK

Champion Will Box Five More Days Before Heeney Bout

Speculator, N.Y., July 16.—Gene Tunney's days of intensive training for his titular bout with Tom Heeney, the New Zealand artisan, are nearing their end; but five of them remain before he quits Speculator and flies to New York, probably with Commander Richard Byrd and Bernt Balchen, on July 26, the day of the fight.

This was not one of Gene's working days. He will box four times this week, starting tomorrow, and once during the week of the championship battle, probably next Monday.

ANNUAL REGATTA HELD AT BALMY BEACH C.C.

B.B.C.C. War Canoe Is First, Defeating Parkdale by Small Margin

Balmy Beach Canoe Club held its annual regatta, that was postponed from Saturday last night. The club was more fortunate last night than on Saturday, as the lake was comparatively, smooth and all the events scheduled were held.

The feature event of the card was the war canoe race. It was won by the Balmy Beach crew. The race was close from the start, and had the several thousand spectators in doubt as to which crew finished first. The second crew from Parkdale, was second, and was only defeated by about three feet. T.C.C.'s crew was third by about the same margin.

Roy Nurse, who holds the senior singles championship was not even hurried in his race, and won handily.

Balmy Beach paddlers did well at their own regatta, and won five of the seven events.

The results follow:

Junior singles: 1, Thompson, Parkdale; 2, Rexinger, T.C.C.; 3, Saecker, Balmy Beach.

Senior singles: 1, Nurse, Balmy Beach; 2, Porter, Balmy Beach; 3, Chamberlain, Parkdale.

Junior fours: 1, Balmy Beach; 2, Parkdale; 3, Parkdale.
